Pool Rules (Please see other side for hours of operation for the Pool and Spa)

In our pool you must:

- Wear clean and appropriate bathing attire is required. Children not toilet trained must wear disposable swim diapers.
- First take a cleansing shower.
- Ensure all children less than seven years of age are closely supervised (within arm's reach at all times) by a responsible person of at least sixteen years of age.
- One responsible adult may supervise up to three children who are under twelve years of age.
- Report an injury suffered while in the pool area, or contamination or fouling of the pool, to the Resident Manager.

The following is not allowed in our pool:

- Entering the pool while ill – this includes: open sores, bandages, head colds, discharging ears or noses or infected eyes.
- Running, fighting or engaging in other conduct likely to cause an injury or loud noises.
- Contaminating or fouling the pool.
- Diving into pool in water less than 2 metres deep.
- Bringing glass, food or smoking into the pool area, water only item allowed while in pool or hot tub
- Using or being under the influence of intoxicants. Drinking of alcoholic beverages not allowed.

Hot Tub Rules

- Keep long hair out of the water, away from all underwater fittings, especially suction fittings.
- Always have someone with you when you are in a hot tub.
- Children must be constantly supervised. Children under six prohibited in hot tub.
- Keep young children, especially infants, out of the hot tub. Their small bodies overheat too fast.
- Elderly people, people with heart disease, diabetes, or high or low blood pressure and people taking medication for cardiovascular or nerve disorders should not use the spa or hot tub without consulting their doctor.
- Don't stay in too long (i.e. ten minutes). Then shower, cool down. Then, if you wish, return for another brief stay. Long exposure may result in nausea, dizziness or fainting.
- Always enter and leave the hot tub slowly and cautiously.
- Don't use when you are under the influence of alcohol or other intoxicants.
- If you are pregnant talk to your doctor before using.
- Do not totally immerse your body
